A large portion of the American workforce is working from home these days. For some, that’s no problem and it’s business as usual. For others, it’s tough to be as productive as you once were. Given that we may be working from home for quite some time, it’s a good idea to start thinking about how you’re going to get the most out of every day. Not sure where to start? Here’s a primer on how to optimize every ounce of time you spend in your home office:

Morning Brew

Image credit: Entrepreneur Store

Start your day off right like usual: With your morning coffee. Easier said than done if you’ve been relying on the office pot or corner coffee shop for years. The Gormia Pourista Automatic Pour-Over Coffee Maker is the intelligent coffee maker that takes pour-over coffee and makes it attainable for the everyman or woman It has real barista-quality controlled bloom and pour-over action, precise temperature control and an adjustable coffee-to-water ratio to ensure you get the perfect

cuppa joe.

Get the Gourmia GCM3350 Pourista Fully Automatic Pour-Over Coffee Brewer for $129.99 (Orig. $149.99).

Ergonomic Chair
