Welcome to Entrepreneur‘s second annual 100 Powerful Women list! On the pages and stories listed below, female leaders offer insights and share the lessons that have helped them survive (and thrive) through this unprecedented year. And whether they’re working in venture capital, banking, healthcare, or consumer goods, there’s one common thread that unites the trailblazing women on this list: they know that their work can help make our world a better, safer, healthier, and more equal place. So get inspired — and take action!
