15 Best-Selling, Versatile Fonts, Just $29 for Them All!

Premium design resources can be really expensive. Fonts in particular are often the most costly tool a designer needs, so when a massive saving like this comes along it’s hard to let it pass by! This brand new bundle contains 15 hand-picked typefaces, containing 200 individual fonts, chosen specifically for their quality and versatility. These fonts are best-sellers at their regular price, but you can pick them up with over $1700 shaved off the price for a limited time. At 98% off, the discount is so high there’s little left on the price tag! This is a great opportunity to grab $1750 worth of beautiful fonts for just $29.

This new Font Lover’s Versatile Library contains 15 pro-grade font-families to add to your collection, with web font variants and extended licensing included in the price. It’s difficult to find a single font with these usage terms for $29, nevermind 15 fonts! There’s no filler content either, they’re all best sellers that are incredibly popular at their full price, from a range of top font foundries such as Latinotype, Tobias Saul, Fenotype to name a few. Enjoy the benefits of multiple weights, extensive language support, contextual alternates, and all the finer details that come with world class fonts, all at 98% off for a limited time only.
