16 Best-Selling, Versatile Fonts, Just $29 for Them All!

Premium design resources can be really expensive. Fonts in particular are often the most costly tool a designer needs, so when a massive saving like this comes along it’s hard to let it pass by! This brand new bundle contains 16 hand-picked typefaces, containing loads of individual fonts, chosen specifically for their quality and versatility. These fonts are best-sellers at their regular price, but you can pick them up with a huge saving for a limited time. This is a great opportunity to grab all these beautiful fonts in one go for just $29.
