20 Bethesda games will be available on Xbox Game Pass tomorrow

Microsoft finalized its Bethesda acquisition earlier this week, and now the company is revealing which existing games will appear on Xbox Game Pass. In total 20 Bethesda titles will appear in Xbox Game Pass tomorrow, including *Dishonored*, *Doom*, *The Elder Scrolls*, *Fallout*, and *Wolfenstein.*

Microsoft says 16 of the games will also be available across Xbox, PC, and xCloud, and that "a handful of these games will also benefit from FPS Boost on Xbox Series X / S."
