3 Tips for Designing Printed Apparel with Dan Byler

Tips for How to Design Your Own Apparel

In today’s video, we introduce you to Dan Byler, Business Development Guru at Jakprints. Jakprints is a premier print shop here in Cleveland with over a decade of experience in online printing. They specialize in custom full-color offset printing, apparel printing/embroidery and sticker production. Dan really knows his stuff, as evidenced by the video you’ll see below, in which Dan discusses his tips for How to Design Your Own Apparel.

Dan Byler has been happily employed at Jakprints since 2004. He began his career in Apparel Production at Jakprints and over the years worked my way into a Business Development role. He is currently working at the Jakprints Oceanside, California office. He has helped hundreds of clients with thousands of projects during his time at Jakprints.
