In the market for a new TV? Today's TVs have advanced to a level of technology unheard of even a decade ago, with a slew of incredible features and the kind of immersive viewing experience you'd typically only expect in a cinema. That means home entertainment centers can feel like a night out at the movies, only you get to be on your own couch with your favorite blanket. All you have to do is find the right TV for you and get a great deal. You can do both of those things right now.

VIZIO SmartCast™ E-series 60" Ultra HD Home Theater Display™

Sale Price: \$599.99 (20% off)

This 60" Ultra HD TV features 8.3 million screen pixels, allowing for crystal clear 4K clarity. With Chromecast built-in, you can stream your favorite shows or sports directly from your smartphone, tablet, or laptop, while the TV also comes

with popular apps like Netflix, HBO NOW, Hulu, YouTube, and Spotify. The VIZIO SmartCast™ App allows you to easily control content from a number of sources using a single remote while 10 Active LED Zones® dynamically adjust your screen's backlight to perfectly adapt to whatever content you're playing.

VIZIO D-Series 50" Ultra HD Full-Array LED Smart TV

Sale Price: \$429.99 (14% off)

Another 4K Ultra HD TV with more than 8.3 million pixels, this 50" TV automatically upscales HD and Full HD content to 4K UHD resolution. The V8 Octa-Core Processor accelerates the TV's computing functions so you can browse across Netflix, YouTube, Amazon, and more with ease and without the lag. Plus, it's more energy-efficient than other LED TVs, so you'll save on your energy bill.

VIZIO E-Series™ 50" Class 4K HDR Smart TV

Sale Price: \$429.99 (8% off)

A more budget-friendly option in the E-Series line, this SmartCast™ TV features most of the same features as the first featured TV but in a slightly more portable 50" package. You'll still get Chromecast built-in, access to many onboard apps, and dynamic backlight adjustment to accommodate any source of media.
