5 Things I Learned While Leading a Major Rebrand

One year into my role as CMO after joining Exos in the middle of the pandemic, we've refreshed the brand to help more people than ever before accomplish their most audacious fitness goals. Here's what I've learned:

Don't miss **The Business of Marketing** podcast featuring leading c-suite executives sharing insights on the importance of leveraging the intersectionality of marketing, finance, technology, HR and the boardroom to drive business growth. **Tune in**.
