Advanced. Actionable. Invaluable. Get your SMX Advanced sneak peek here.

Advanced search marketers like you need a training experience that speaks to your level of expertise, skips the basics, dives deep, and leaves no stone unturned.

Attend **SMX Advanced** online June 14-15, to **learn elite, brand-safe, actionable search marketing tactics for free without leaving your desk**.

Programmed by the Search Engine Land editors, this experts-only training program explores **the latest, most sophisticated SEO and PPC topics and trends**, including…

- A deep dive into Google Search Console performance reports
- Entities: Conversational AI, personalization, and

engaging content
- Future-proofing your website against the next Google algorithm update
- How UX, SEO, and content must work in harmony
- Google Ads & B2B: Overcoming common mistakes and platform limitations
- Indexing, crawling, and beyond – what you need to know now
- Quantifying the value of SEO
- Steering automated bidding to achieve your goals
- Google Ads: Audience-first messaging and targeting
- The latest approaches to testing RSAs
- Designing and executing next-level social ads

… and so much more.

Overtime, engaging Q&A with speakers, follows most sessions – giving you plenty of opportunities to **get your specific questions answered in real-time**. And the entire program is available for you to explore live or at any time that fits your schedule… **no plane ticket, no hotel booking, no expense reports required**.

For 15 years, more than 150,000 search marketers from around the world have attended SMX to **learn game-changing tactics, connect with industry legends, and further their careers**. Don't miss your chance to join them online for the only professional training experience created by advanced search marketers for advanced search marketers.

Secure your free pass now and we'll see you online, June 14-15!
