All new! B2B Marketing Automation Platforms Marketer’s Guide updated for 2018

The latest edition of MarTech Today’s “B2B Marketing Automation Platforms: A Marketer’s Guide” examines the market for B2B marketing automation software platforms and the considerations involved in implementing this software in your business.

This 48-page report is your source for the latest trends, opportunities and challenges facing the market for B2B marketing automation software tools as seen by industry leaders, vendors and their customers.

Included in the report are profiles of 15 leading B2B marketing automation vendors, pricing charts, capabilities comparisons and recommended steps for evaluating and purchasing.

If you are a marketer looking to adopt a marketing automation software platform, this report will help you through the decision-making process. Visit Digital Marketing Depot to download your copy.
