Every item in this collection is backed by full extended licensing, which gives you the complete freedom to use the tools in your client work and images you might want to sell, such as prints or stock photos. With such a variety of resources for the two main industry-standard applications of Lightroom and Photoshop, plus assets like textures and overlays that are compatible with all image editing software, there are plenty of useful products for photographers of all disciplines. Grab your copy at the discounted price of $29 before the deal ends!
