BAMM

Graphic Designer/Visual Media Artist / Freelance
New York New York US

https://bammglobal.com/

Creative Graphic Designer/Visual Media Artist. Freelance with the option of full-time later this year.

Role Details

BAMM New York are looking to expand their network of creative freelance Graphic Designers, Visual Media Artists and Motion Graphic designers to join the team on a project basis; there's also scope for full time employment for the right candidate.

Looking for candidates who have experience in the following:
– Microsite creation
– Designing of coffee table books
– Infographics & Poster design
– Motion graphics for video (Bonus)
– Video Editing (Bonus)

The right candidate will still be considered if they do not have all of the experience above as long as they have a strong desire to learn.

Day rate/salary: Negotiable

Skill/Attributes Required

Looking for a individual(s) who is:

– Forward thinking
– Creative problem solver
– Advanced knowledge of Adobe Creative Suite
– Can do attitude
– Website or app design skills (or willing to learn)

Apply/Respond by:
29/03/2019

Send: Folio

As well as seeing your portfolio we’d also like to see examples of work that’s currently inspiring you / a style you’re interested in exploring.
