Did you invest in a refurbished device over the holidays? Though you probably got a great deal, there's one downside to these eco-friendly purchases: they may not be updated with the latest operating system. So whether you bought an older PC or are dusting off an old device that you'd like to give an upgrade, you may want to check out this deal on Microsoft Windows 11 Pro.

Not only does this bundle include a license for Microsoft Windows 11 Pro, but it also comes with The Essential Windows 11 Pro Course. This online course schools you in the ins and outs of the system so you can take advantage of all the perks as a busy entrepreneur. And right now, it's on sale for just $39.97 (reg. $298) with no coupon code required through January 21.

Give your computer a facelift with this license for Microsoft Windows 11 Pro. Made with professionals in mind, it's a must-have for entrepreneurs as it includes plenty of perks to take advantage of – from the sleek and seamless interface to advanced security that keeps your data safe via advanced antivirus defenses and encrypted authentication. You'll also get to experience improved productivity thanks to better voice typing, seamless redocking, snap layouts, AI integration, and

much more.

As soon as you get Windows 11 Pro on your device, you can learn more about it with the included course, The Essential Windows 11 Pro Course. Taught by StreamSkill, this class gives you 5.5 hours of instruction to access anytime. You'll discover the most useful elements of Windows 11 Pro and how to make them work for you.

Outfit your computer with the latest operating system with a 4/5 star rating on TechRadar while learning more about it.
