

Billion Dollar Boy: Design Internship

Design Internship / Internship / Paid
London UK

<http://www.billiondollarboy.com>

Work with the designer, across print and digital, on both in-house and client projects.

About Billion Dollar Boy

Billion Dollar Boy is a Creative Agency for The Influencer Age – we harness the collective power of thousands of vetted global influencers and content-creators.

Social media is our playground. We were fo

Role Details

We're looking for someone with a willingness to learn and an enthusiastic attitude to join our team for 2 months.

With guidance from our designer, and the ability to experience agency life you will:

- Create, design and artwork our gifting projects (packaging)
- Create presentations
- Work on digital assets such as social ads, Instagram AR filters and Instagram gif stickers

Skill/Attributes Required

- Must be proficient in Adobe Illustrator, InDesign and Photoshop
- Animation skills are a plus (AfterEffects and/or 3D).
