

Black Friday Has Arrived: This MacBook Air Has Had Its Price Slashed by More Than 70%

Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

Maybe you have a techie on your shopping list who could use an upgrade. Or maybe you need a low-cost, reliable laptop to take on the road. No matter who it's for, you'll pay a lot less than you normally would for an Apple machine.

For a limited time and with limited quantities, you can get your hands on a grade-A refurbished Apple MacBook Air 13.3" for just \$229.97 (typically \$999) during Black Friday. This means it should arrive in near-mint condition with only the possibility of light cosmetic blemishes.

Enjoy a crisp 13.3" widescreen display with a 1440×900 resolution, perfect for presentations, video calls, or streaming on the go. And with a 1.8GHz Intel Core i5 processor, you'll experience smooth performance for multitasking, browsing, and running essential applications.

Weighing in at under three pounds, this MacBook Air is designed to slip into any carry-on, backpack, or tote for easy travel. Plus, it boasts up to 12 hours of battery life, making

it a perfect choice for long flights, busy workdays, or keeping up with productivity away from the desk.

This model comes equipped with 128GB SSD storage—enough to keep important files, presentations, and media in one place. The Intel HD Graphics 6000 ensures smooth graphics for video calls, streaming, and more. And you can stay connected no matter where you are with Wi-Fi capabilities, while Bluetooth support lets you transfer files seamlessly from other devices.

This low price makes the refurbished MacBook Air 13.3" an outstanding gift for anyone who values quality tech, whether a student, frequent traveler, or team member in need of a reliable laptop.

Or, if you're simply looking for a work-ready device that fits in any bag, this lightweight MacBook Air could be your perfect travel partner.

Get a grade-A refurbished Apple MacBook Air 13.3" for just \$229.97 (typically \$999) while inventory is still available. Act before this Black Friday offer ends December 1 at 11:59 p.m. PT.
