Black Friday Wacom deals 2019

We've found the juiciest Black Friday deals currently out there for drawing tablets from Wacom in the UK and US.

Below are current deals on some of the best drawing tech out there on the market for creatives – Wacom graphics tablets like the Cintiq Pro 24, along with interesting alternatives from lesser known brands.

Note that we're also bringing together other Black Friday deals for designers and artists on the site, including deals on 4K monitors. Note the below offers are live as of today Black Friday, November 29th.

Best Cintiq Pro Black Friday Deals

Wacom's global online stores have rolled out their Cyber Weekend 2019 deals, the wondrous highlights of which we've cherry picked below for you in order of screen real estate.

This year the deals are much better than on last Black Friday – where the sale prices were often higher than the non-Black Friday prices on Amazon.

Wacom Cintiq Pro 32

Over 15% off the Pro 32 Touch from now until Cyber Monday, giving you a darling price of £2,599.99 down from £3,149.99.

Cintiq Pro 24

15% off the Wacom Cintiq Pro 24 Touch or standard, meaning the cheapest you can go is a low low low £1,599.99 from almost two grand RRP.

Cintiq Pro 16

20% off Wacom's 16-inch flagship model when bundled with a

Wacom Link Plus USB/DP, a crashing two hundred pounds less at £1,119.99 from £1,399.99.

You can find the same model without the Link Plus on the store, but it's a refurbished model for – weirdly – the exact same price.

Cintiq Pro 13

Same deal here – 20 per cent off with a Wacom Link Plus included, meaning £639.99 down from £899.99.

If you don't want a Link Plus and want to pay ten pounds less, then there is a refurbished model currently going for cheap – you know what to do, just click below.

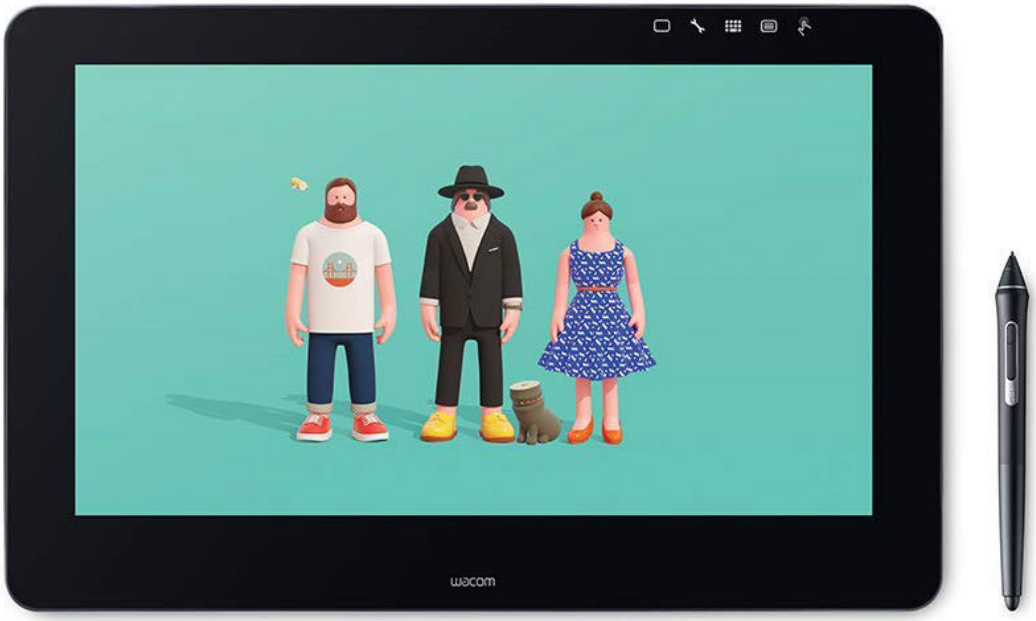

Other deals on the UK and EU stores include the below; American creatives don't worry as we have your backs after the jump.

- 25% off Wacom Intuos and Wacom Intuos Pro
- Up to 22% off select Wacom Cintiq Pro 24/32 + Ergo-Stand or Flexarm bundles
- Up to 10% off Wacom Cintiq 16/22

US Wacom Black Friday Deals 2019

American digital artists can get 40% off refurbished products this Black Cyber weekend. Not bad, unless you have a hang-up about refurbs.

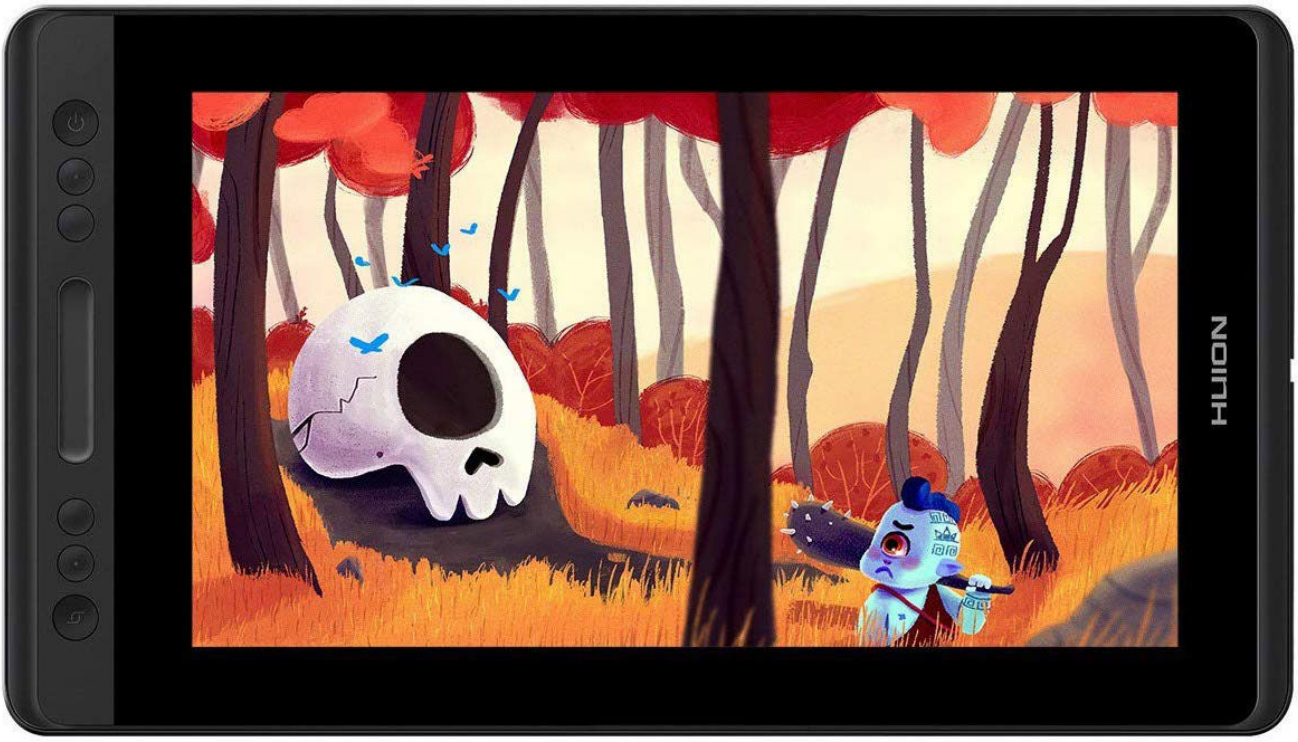

Art by Superfiction
Until January 31st 2020, Wacom USA is also offering software deals on the likes of Adobe, Clip Studio and Corel with select purchases.

Best Black Friday Wacom Cintiq deals & alternatives

Wacom Cintiq 16

USA artists can head to the official Wacom store to get a Wacom Cintiq 16 with Pro Pen 2 bundle for $389.95.

Black Friday Huion deals

Huion Kamvas Pro 12

UK creators can get a Huion Kamvas Pro 12 from now **until 11.45pm on December 1st** (again) at 40% less.

Huion Kamvas Pro 13

A pricier option is the Pro 13 model (above), almost 50% cheaper at £216.79.

We should point out hidden away on the product page You can only select this from the Pro 13 page, though.

American artists can apply at checkout a coupon of $20 off the Huion Kamvas Pro 13.3 for on Amazon US; this is a cheaper deal currently being offered on the Huion US store.
