50+ ACTIONS
INCLUDED

This Black & White Actions pack is an extensive collection of 50+ Photoshop Actions. The Actions folder contains an extraordinary list of options and settings to generate the perfect image with custom effects, such as ‘High Contrast’ and ‘Infrared B&W’, as well as a range of options to produce selective color effects that preserve a specific hue during the black and white conversion. Experiment by combining the various filters from the BASE and ADJUSTMENTS groups for unique results, or choose a ready made effect from the PRESET COMBINATIONS for fast and easy black and white conversions.
