Brand Brothers #ILoveTheseGuys

Shillington students from around the world share the work of creatives who inspire them in the #ILoveTheseGuys series. In this post, Sydney graduate Laura Tournier highlights projects from the French brand design studio Brand Brothers.

Brand Brothers is a French design studio specialised in visual identity and branding. I love their use of typography, colour and simple geometric shapes to create engaging visual identities. They establish strong and effective brand strategies and identities for a variety of businesses.
