Brazil bans X: all the latest news

X reverses course on Brazil.

Elon Musk’s lawyers have reportedly undercut his free-speech theatrics related to ye old Twitter’s refusal to block accounts as ordered by the country’s highest court. According to *Reuters*, X’s lawyers said the following in a letter addressed to Supreme Court Justice Alexandre de Moraes on Monday:

> *“As already communicated to the federal police, X Brasil informs that all orders issued by this Supreme Court and the Superior Electoral Court will continue to be fully complied with by X Corp.”*
