New York Internship will be remote! Accepting applicants from all over! US

http://www.butterstudio.co

Butter is seeking a highly motivated and talented summer design intern to join our design studio. Our intern will learn the ins and outs of working with a small brand design firm and be actively involved in all aspects of our creative process.

Role Details

Butter is seeking a highly motivated and talented summer design intern to join the studio. Our intern will learn the ins and outs of working with a small brand design firm and be actively involved in all aspects of our creative process. This is an opportunity to learn what its like to work for a small studio, hone your craft, and develop your design skills while working on real life applications. We’re looking for students whose design aesthetic resonates with ours, who have excellent typography, graphic design, animation, and illustration skills.

Because of the Coronavirus, the internship may be remote. We are considering remote candidates. Otherwise it would take place in our studio in NYC.

Creative responsibilities:

Produce final design solutions (like logos, banners, interfaces)

Pitch creative ideas to internal creative team

Collaborate with team members on design work

Take on production design tasks (e.g. color correction)

Design brand systems and assets for clients

Design print or development ready design assets to spec

Design collateral for Butter marketing: newsletter, social media etc.

Create static design assets using Illustrator, Photoshop, Indesign, Sketch or Figma

Create animations and motion graphics

Day-to-day operating responsibilities:

Understand project requirements and concepts

Follow through with assignments on time and thoughtfully

Arrive on time, fulfill expected tasks and time commitment

Skill/Attributes Required

Requirements:

Expert in Adobe Suite (Illustrator, InDesign, Photoshop)

Fluent in AfterEffects, motion design, animation

Experience using Figma or Sketch a plus

Great at accepting and implementing feedback

Proactive self starter, brings ideas to the table

Exceptional organizational and project management skills

Excellent problem solver

Extremely detail oriented and adept at multitasking

Self starter that sticks to deadlines, arrives on time, follows through with commitments

Great at time management

Adept at learning new technologies and platforms

Strong interpersonal skills and extremely resourceful

Passion for sport, empowerment of underrepresented groups is a plus

Passion for female led and LGBTQ organizations is a plus

Passion for brand identity design and application

Passion for recreational sports or competitive athletics a plus

Familiarity with design techniques (e.g. wireframing, moodboarding)

Understanding of visual elements (layout, type, and color)

Team player

Conceptual thinker

Portfolio website and written letter explaining why you are the best fit

Apply/Respond by:
29/05/2020

Send: CV/Resume

This internship will be remote! Accepting applicants from any location.
