Butter Studio: Junior Graphic Designer or Design Intern

Junior Graphic Designer or Design Intern / Freelance / Paid
Brooklyn New York US

http://www.butterstudio.co

Butter is seeking a highly motivated and talented design intern or junior designer to join the studio. Our intern will learn the ins and outs of working with a small brand design firm and be actively involved in all aspects of our creative process.

Role Details

Company Overview: Butter is a creative studio without borders, driven by the chance to change culture with every project and dedicated to creating intentional design that isn’t afraid to leave an impression. We are focused on partnering with organizations that foster empowerment, community, and joy. Our services include brand identity design, campaigns, packaging, web design, art direction, naming, brand positioning and more.

Position title: Design Intern or Junior Designer

Reports to: Cari Sekendur, Owner/Creative Director

Position purpose:
This position serves the mission of the business by executing creative work that is on a mission to change culture through surprising and delightful execution.

Butter is seeking a highly motivated and talented design intern or junior designer to join the studio. Our intern will learn the ins and outs of working with a small brand design firm and be actively involved in all aspects of our creative process. This is an opportunity to learn what it’s like to

work for a small studio, hone your craft, and develop your design skills while working on real life applications. We're looking for design students or those early in their design careers whose aesthetic resonates with ours, who have excellent typography, graphic design, animation, and illustration skills.
