Can You Look Fabulous While Cleaning? According to Method, the Answer Is Yes

We live in a social media-led society where “pics or it didn’t happen” heavily influences how we share our lives with the world. These days it’s barely enough to merely live well; our best moments should preferably be photogenic and presented with just the right filter (unless you live that #nofilter life). And that’s not… https://www.adweek.com/creativity/can-you-look-fabulous-while-cleaning-according-to-method-the-answer-is-yes/
