Canva: Template Reviewer

Template Reviewer / Contract / Paid
Sydney NSW AU

https://www.canva.com/

We are looking for designers to review template designs for posters, invitations, social media graphics, videos, logos, and other similar design products, created within Canva’s drag-and-drop design tool.

Role Details

At Canva, we’re transforming the way the world designs. Do you have a love for design, a keen understanding of what constitutes great design and a passion for review and quality assurance?

We are looking for skilled and experienced designers for a 3 month full-time contract to review template designs for posters, invitations, social media graphics, videos, logos, and other similar design products, created within Canva’s drag-and-drop design tool. The goal will be to assess each template on the overall quality of each design, as well as giving feedback on the usability of the template.

The position requires high attention to detail, ability to problem solve and ability to work autonomously. We’re looking for someone who is passionate about design, maintaining high standards and quality control.

What you’ll be doing…
• Review template submissions and ensure that they pass Canva quality standards
• Working closely with the Review Team Lead to ensure consistency of review and that the quality standards are correctly applied.

• Identify areas that require education to minimise rejections and improve overall quality of submissions.
• Track and identify excellence and common areas for improvement in template submissions

Skill/Attributes Required

We’d love it if you…
• Have quality assurance and operations experience
• Have a strong foundation in design principles and elements
• Understand user thinking and interaction to improve usability
• Can efficiently deliver output and maintains cadences
