The authorities of **Mexico City (CDMX)** reported that from Tuesday 7 to Saturday 11 September **Phase 27 of the National Vaccination Plan** will begin, which includes the second dose for the **adult population between 40 and 49 years old** who live in city halls:

- Azcapotzalco,
- Benito Juarez,
- Iztapalapa,
- Iztacalco,
- Gustavo A. Madero and
- Venustiano Carranza.

According to the statement , they hope to apply the second dose of the COVID-19 vaccine to a total of 523 thousand 570 adults of the aforementioned age range. Likewise, the Head of Government of the town, Claudia Sheinbaum Pardo, explained that at the end of this day all adults between 40 and 49 years old living in CDMX will have their complete scheme.

The people who go to their second appointment in these municipalities are those who were vaccinated with the **AstraZeneca** injection 8 or 11 weeks ago. The vaccination schedule is as follows:
