Where can you pay your 2021 tenure?

Due to the implementation of the red traffic light in Mexico City until January 10 (at least), the agency recommends opting for digital means to make the payment. However, there are also physical alternatives for those who prefer it.

Go to the page finances.cdmx.gob.mx, go to the section of payments and online procedures and click on ‘Tenure’. Enter your license plate number, select the year you wish to pay and press the ‘I’m not a robot’ box. After this, your invoice will appear and at the bottom it will tell you if you are entitled to the subsidy. To pay, choose the Online Payment button and fill out the form. It will ask for your personal data and the

information of a bank card.

- **Treasury App**

Download the Pagos Tesorería CDMX application on your cell phone and create your account. Go to the menu and choose payment procedure. Click on the ‘vehicles’ button and fill out the form to see your invoice and payment options.

Go with your payment invoice to banks such as BBVA, Banorte, HSBC, Inbursa, Santander, CiBanco, Banco Azteca, BanCoppel, Afirme, IXE, Banj Ejército, Multiva and Mi Banco.

- **Self-service and convenience stores**

Such as Walmart, Chedraui, Sam’s Club, Farmacias del Ahorro, Suburbia, OXXO, Seven Eleven, Circulo K and others.

Motorists who do not have their invoice must carry out the first 5 steps for online payment and later, when the invoice appears, press the button ‘Payment format to download it’, so they can print it and make the payment.

In addition, the Contributel number was made available to the public to clarify doubts: 55 55 88 33 88.
