Cloqwork

Digital Designer

Contract
Sydney NSW Australia
http://cloqwork.com.au

We are looking for a dynamic Digital Designer with an eye for detail.

Role Details

This is a flexible contract role for someone who wants to join a team of passionate players.

You will have the chance to work on a variety of enterprise level projects that require taking UX workflows and wireframes and reworking or refining them into a precise set of UI Designs that are ready for development.

Work can be completed remotely but we do expect regular communication where appropriate.
Please send you CV and link to the online portfolio.

Skill/Attributes Required

Proficiency in UI design
Proficiency in Adobe XD
Strong Photoshop and illustrator
Working knowledge of HTML and CSS
Positive communicator

Apply/Respond by: 15/02/2018

Send: CV/Resume, Folio

Please send your CV and link to the online portfolio.
