

Clubhouse: How to Edit Your House's Recurring Hangout

When a user creates a House on the Clubhouse platform, they can create a recurring hangout (or regularly scheduled meeting) for the House that will occur with their desired frequency, beginning on their desired date and time. For instance, a user could have their recurring hangout take place once per month.

If you ever need to make changes to your House's recurring hangout, our guide will show you how to change your recurring hangout in the Clubhouse mobile application.
