Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

Think of the best presentations you've ever seen. Whether at work, at a conference, or just watching a TED Talk, chances

are those presentations that stick in your mind are ones that had outstanding visuals. Nobody wants to sit through a dull presentation with ugly, bland slides and choppy transitions. A presentation is a visual medium, and if you’re making frequent presentations, you should have the tools to make them stand out.

BaseTemplates offers professionally made templates for pitch decks and presentations. With more than 100 investor-approved, customizable pitch deck slides and 100 carefully-designed presentation slides, BaseTemplates makes it easy to create stunning pitch decks or presentations that help you meet your goals. You don’t have to think about design or structure: all of the files are easy to edit in PowerPoint, Keynote, or Google Slides, and offer more than 300 customizable components. You can even adjust the color schemes and styles on presentation slides. Whether you’re trying to get investors to buy into a new product or service, promote your business or brand, or simply collaborate with your team on a new initiative, BaseTemplates makes it easier than ever.

Capturing an audience‘s attention is difficult, retaining it is even harder. BaseTemplates gives you the tools to get the audience on the hook and keep them engaged until you get your message across. Normally $128, you can get a complete pitch deck and presentation templates bundle from BaseTemplates for $29.99 today.
