With Father’s Day approaching, it’s time to think of the dads in our lives. Whether your dad is interested in home audio gear or needs a new set of wireless headphones to cancel out the world and relax this summer, we’ve curated a list of some terrific tech gifts that will delight the father figure in your life.

From practical purchases like Bluetooth trackers to help him locate his favorite belongings to Apple’s new, larger 15-inch MacBook Air, a smartwatch to help him stay in shape and keep track of important health metrics, smartphones to stay in touch, and everything else, we have a curated list of fun, practical, and useful gifts for dad. Just remember to shop early, as these deals can expire at any time, and with Father’s Day landing on Sunday, June 18, you’ll want ample time for shipping and gift wrapping.
