

Design Week AGDA 'Future AM' Session

Discover the 2019 AGDA Mentoring Program! The inaugural Design Week AGDA 'Future AM' Session is a collaborative forum with a select panel of professional Mentors and participating Mentees from the past AGDA Mentorship program. Designers and industry attendees who are interested in knowing more about the mentoring program benefits can ask questions, discuss what matters to them and help shape the 2019 program.

This session aims to bring the Victorian design community together and positively shape the future of industry

mentoring. Come and have a drink, mingle with other design professionals, discuss the value this brings to our community and how this could help you take the next step in your career or business.

Hear from past mentors Nancy Bugeja – HM Group (2014, 2016, 2018 Mentor), Jake Smallman – Self Titled (2016, 2018 Mentor) and Mimmo Cozzolino – AGDA Founder and Hall of Fame (2018 Mentor).
