Design x Business: Contact to Contract

13 June 2019
London

After the success of the launch event, Design x Business is back! This month the theme is Contact to Contract: How to find clients and develop new business.

We'll be exploring how design businesses can find clients, turn these relationships into business opportunities and get contracts signed. We'll be joined by Nick Bell and Toby Wilkinson of brand/agency matchmakers ASK US FOR IDEAS and Max Ottignon of Ragged Edge.

DXB are interested in sharing knowledge and building a community so they're encouraging people to get down early to meet some like minded people and make a few connections before the talks begin.

They also want our events to be open to everyone, so if you're unemployed or under employed reach out

to **hello@designbybusiness** for discounted tickets.

Thursday 13 June 2019, 7:00–9:30pm. Impact Hub Islington, 27 Dingley Place, London EC1V 8BR.

Learn more about the speakers and book your tickets now!
