DevBrush 4.0 Procreate Brushes for Premium Members

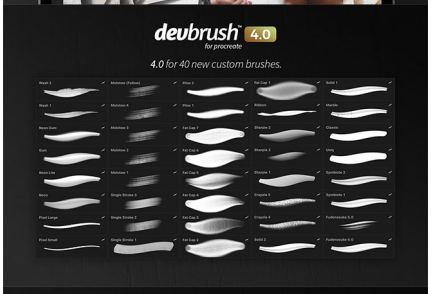

Access All Areas members have a brilliant collection of Procreate brushes to download this week, courtesy of DEVANDVAN. DevBrush 4.0 has been made for all letterers, calligraphers and type designers who use the Procreate app to create their pieces. It includes 40 custom brushes designed specifically for lettering with the Apple Pencil to create graffiti and marker pen effects. Each style of brush has several versions, so you can find the perfect amount of detail and texture in every stroke.

DEVANDVAN is the home of Alif Devan R, a calligrapher and type designer who produces a range of Procreate brush sets to help lettering artists bring their ideas to life. The DevBrush range includes a total of 6 individual collections, each with a unique range of brush styles. Also check out the DevBrush for Procreate Bundle, which includes all 150+ brushes in one huge discounted pack.
