Elda Broglio

Elda Broglio is an illustrator and designer who focuses on motion graphics and editorial projects. She often employs fluid lines and playful patterns to craft lighthearted drawings that capture the comforts found in everyday actives. In her collection “The Rest”, she illuminates the quiet moments that occur between the chaos that comes with modern life. The pieces feature a tranquil cast of characters such as

a commuter riding the train and a gardener enjoying the aromas of his plants.

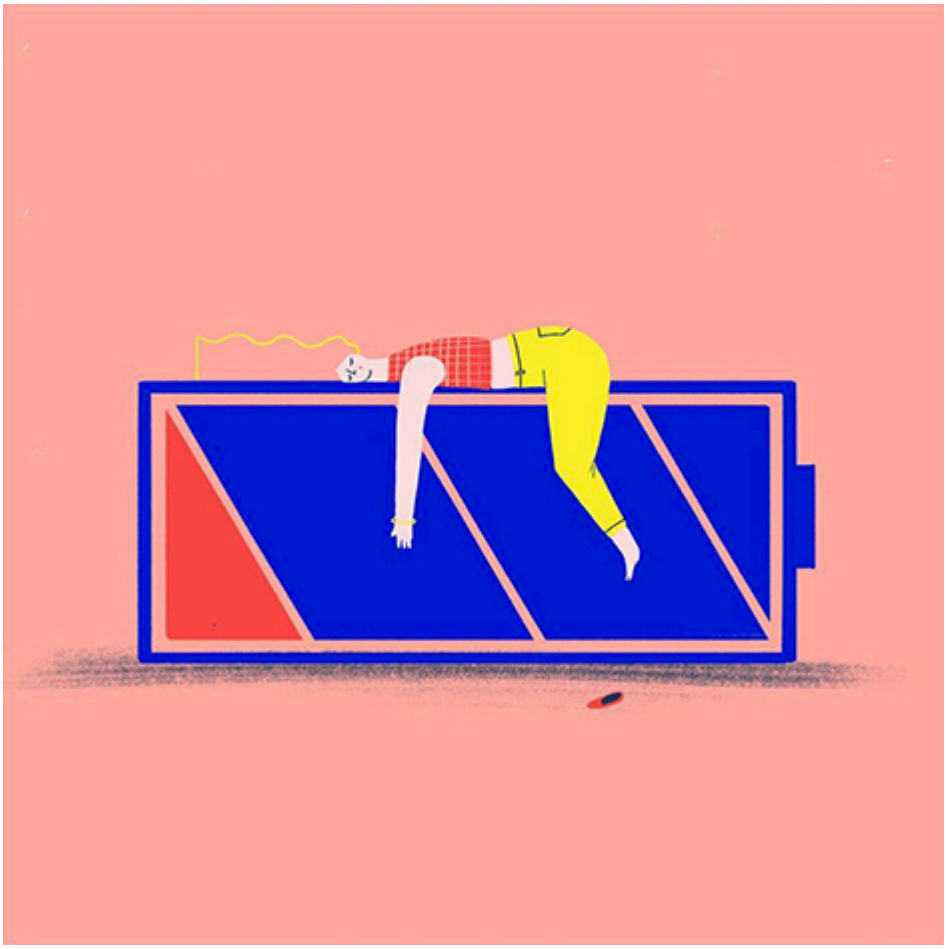

the overpowering scent of plants.
