These days, your company needs a website. According to PixoLabo, 71% of small companies had websites in 2021. That number has likely grown tremendously over the last two years...is your company in the majority?

Whether you've had a site for a long time or are finally getting yours up and running, you're going to need a source for web hosting. And if you'd like that source to be affordable and offer a one-time payment instead of expensive monthly fees, look no further than iBrave Cloud Web Hosting. They're currently hosting a lifetime subscription for just \$79.99, no coupon code required, now through June 20 during this Flash Sale.

Imagine paying once and enjoying unlimited websites, subdomains, bandwidth, SSD storage, MySQL databases, and custom email addresses...forever. That's exactly what iBrave Cloud Web Hosting is offering to new users. And while it doesn't include free unlimited domain names, you can use your existing one or just buy a new one and start enjoying iBrave's hosting services and have your site seen on all kinds of devices.

Even those that aren't website-savvy will find iBrave super

simple to use, thanks to its user-friendly control panel, over 80 one-click install apps to choose from, and free website builder. There's also one-click WordPress installation, and it's super easy to migrate your existing websites over. And if you run into any issues, friendly customer support is available seven days a week to help.

New iBrave users can save big forever and score a lifetime subscription to iBrave Cloud Web Hosting during the Flash Sale for just \$79.97 (reg. \$899) until June 20 at 11:59 p.m. Pacific.

Prices subject to change.
