Entrepreneurs Can Learn for Life With This $30 Online Learning Database

Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

If you want to stay on top of in-demand professional skills without shelling out a fortune for dozens of different courses, this lifetime access to EDU Unlimited by StackSkills deal is for you. You can continuously learn for life for just $29.97 (reg. $600) now through November 16.

Keep your skills fresh with a lifetime of online learning

Learn something new every day with EDU Unlimited by StackSkills. Lifetime access to this online learning database ensures that entrepreneurs can stay up-to-date on new, in-demand skills in the workplace, while also giving them an easy way to keep their brains sharp.

From business to blockchain, development to graphic design, and finance to IT, the possibilities are endless with a library of more than 1,000 courses. You can learn to code so you can build your own website, or learn a new language so you can tap into a different market. There are dozens of subjects to explore, and new courses are added every month, so you'll never run out of things to learn.

You can rest easy knowing EDU Unlimited by StackSkills courses are taught by more than 350 of the web's top-rated instructors, all of whom are experts in their field. There are course certifications and quarterly instructor Q&A webinars. If you encounter any issues, premium customer support is available.

PCWorld praised the platform for offering "a lifetime of professional training for one low price," while NBC News highlighted its "full access to courses on in-demand skills."

Get lifetime access to EDU Unlimited by StackSkills for just $29.97 (reg. $600) now until November 16.
