Feral Production

Graphic Designer

Full Time
New York NY United States
http://feralproduction.com

Feral, a boutique Full-Service Creative Studio, located in Chelsea, is currently looking for full-time and part-time graphic designers who are young, creative and artistic.

Role Details

Feral is an NYC based creative studio with a focus on brand development, design, and concepting and producing cinematic and photographic content for online, tv, print and social outlets. Our clients range from global brands to innovative startups to organizations for social good.

Feral, a boutique Full-Service Creative Studio, located in Chelsea, is currently looking for full-time and part-time graphic designers who are young, creative and artistic. Feral is a company run by artists and we are looking for designers who can shape shift at times (creative strategy, assistant producer, art director, copywriter) who are both creative and interested in learning business aspects of the industry. We do require that you are ready to have fun and have a good sense of humor. This is a dynamic work environment where you would be exposed to new and different things all the time. It’s a great opportunity to get to know the industry, network, learn how a small business works and be creative!

Job Description:
The Graphic Designer must have 1-4 years of experience. You will help with design, ideation, presentations, social media and social content creation. While focused on graphic design,

you will have the opportunity to work with creative and production teams. A passion for multi-platform social media, social brand building, layout and typography (typefaces, layout, gif design, visual communication & problem solving), creative research, and ideation, are a must. Interest or experience in video (motion graphics, titling, ect.) and animation such as helping on FCP edits and After Effects animations is a plus. We are looking for someone with key design Adobe Creative Suite skills – Photoshop, Illustrator, etc., proficiency in Keynote. The graphic designer will report to the Creative Director.
