Financial Tricks That Will Help You Retire Before Age 65

Retirement planning can be tricky, but it’s entirely possible to have enough money to retire early – you just have to be smart and disciplined with your money. In this video, Entrepreneur Network partner Phil Town gives you a few tips that will help you retire before 65 and live comfortably.

You don’t need to win the lottery or have a large inheritance. Instead, it’s important to be mindful with your money and start planning at a young age. Specifically, you should try to live below your means if possible and invest early.
