When you're called upon to be stronger during extraordinary and uncertain times, a home-based business selling on eBay is fun, fulfilling, and a means to sustain your family. Experience this journey of opportunity where you'll discover the basics of sourcing and selling to help you move forward through this period of quarantine.

Hosted by Christopher Matthew Spencer an entrepreneur, author, educator, and mentor. His focus on entrepreneurs and everyday Internet users is derived from his "roll up your sleeves, hard-working" mindset that has led him to his own achievements.
