These past months have brought about about global changes that

have left a lasting impact on businesses and franchises. In this webinar, franchise experts Rick Grossmann and Rob Gandley are joined by special guests Nick Zamucen, founder of Bio-One and Best Option Restoration, and financial guru Steven Sitkowski for a strategy session where they'll discuss:

- Global changes and the impact on the business marketplace in short, medium and long term.
- Successful strategies to adapt your business to thrive while others fail.
- How to identify opportunities that avail during this crisis.
- Creating alternative and passive income as an additional revenue source to help you weather future storms.
- Strategies to make sure you don't get caught off guard in the future.
- Creating momentum and hockey stick growth for your business.

Join us for this live webinar on Monday, June 29th at 3pm ET to learn how you can set up your business with momentum and growth.
