Futuristic Neon 3D Letters for Access All Areas Members

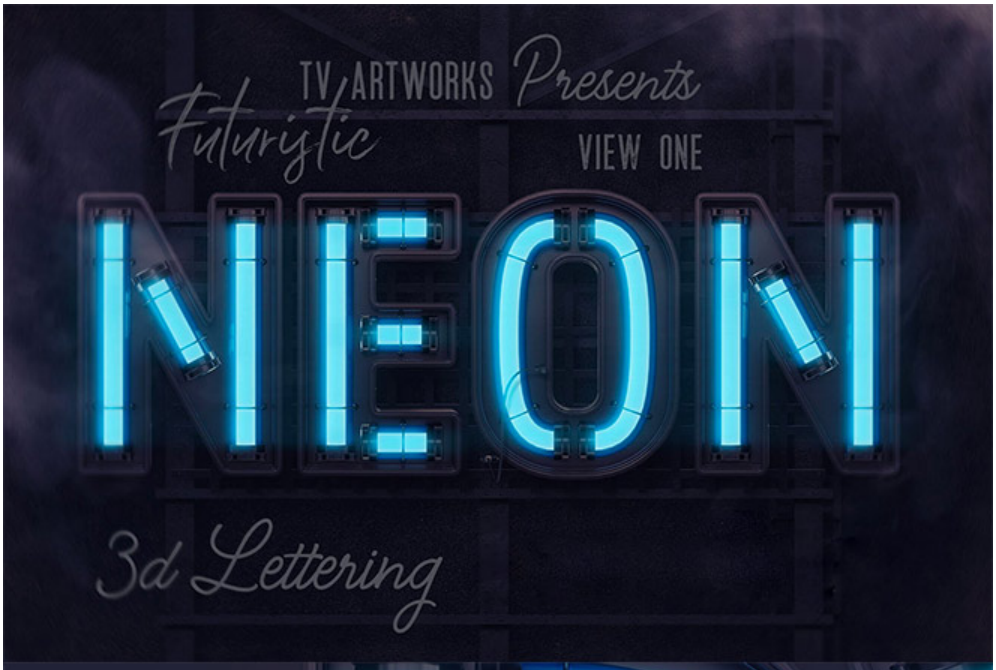

Access All Areas have a really cool collection of 3D letter graphics to download this week, courtesy of Dealjumbo. This futuristic neon lettering set contains A-Z characters constructed with detailed blue neon tubes within a dark letter frame. Each letter is supplied as a 3000x3000px PNG image with a transparent background, so you can easily lay out the letters to display any wording you require.

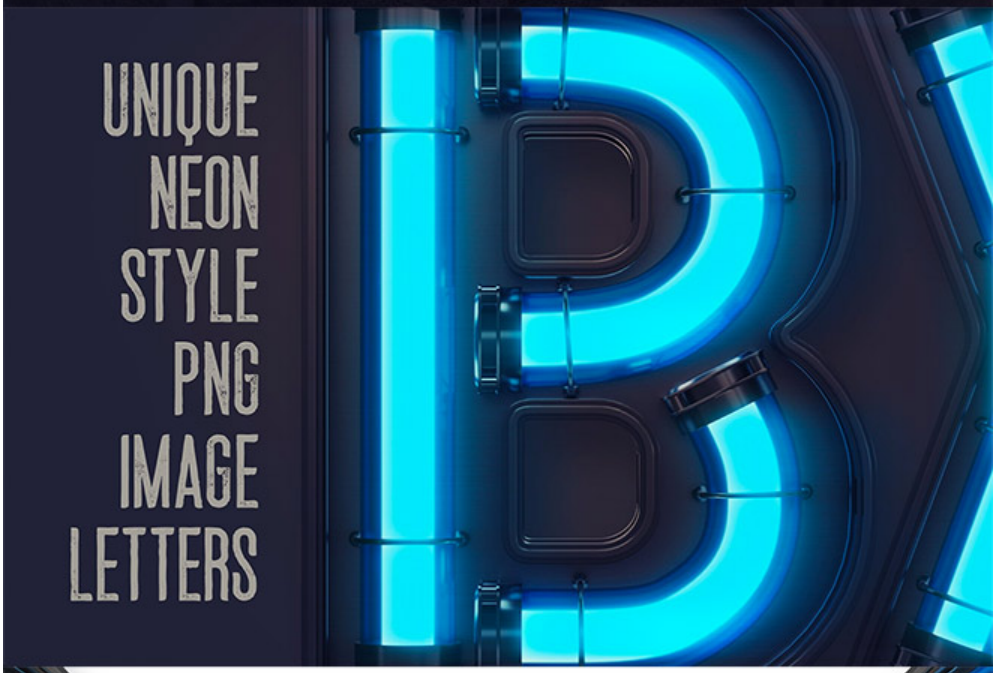

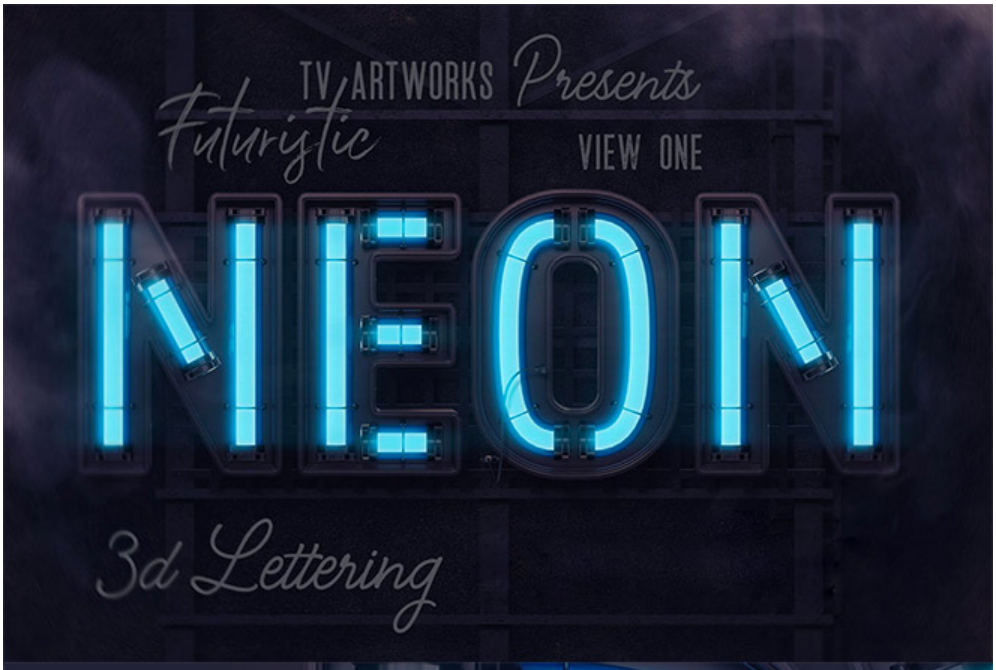

Dealjumbo bring you exclusive deals and freebies from the best graphic designers and artists from all over the world. Find a range of premium design resource products, such as fonts, graphics, mock-ups, photos and textures with big discounts and extended licensing. Check out the Neon Lettering Super Bundle to find this neon letter set with an array of extra styles, along with 6 other neon letter packs for just $24.

This ultra-realistic collection of 3D neon letters is great for composing titles and promotional graphics. Combine them with lighting effects and glow filters to simulate the illumination of the neon tubes, and place them onto a wall image to create a complete neon sign effect. Being regular PNG graphics means they’re 100% compatible with all image editing applications.
