# Get 99% Off The Totally Artistic, Vector Supply Kit. Just $29

Fantastic quality vectors are fundamental building blocks for all designers. That is why it is so important to have a great selection of vector tools at your disposal, and this bundle gives you just that and so much more! This supply kit would typically cost you $2995, but for the next 2 weeks it’s available for you for just $29! Discover thousands of vector brushes, illustrations, textures, patterns, shapes, florals and more, in a variety of styles including festive and vintage! Also included is a stunning selection of fonts that will compliment your new vectors perfectly.
