Get Basic with Cassie Bone

Get Basic with Cassie Bone at 43 Derby Street! Cassie Bone owns and runs Hound & Bone with her partner, Peter. Working directly with illustrators, designers, painters, photographers and creatives, they produce fine art prints of exceptional quality.

They’ll kick the evening off with a few questions and then open up the discussion, inviting the audience to ask Cassie questions about her career and life journey. No question is “dumb” at Basic, they encourage any and and all queries, from the simplest to the most complex.

Thursday, 25 October from 6:00–7:30pm
