

Get MS Visual Studio Professional and a Learn to Code Bundle for Just \$50

Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

Staying ahead of the curve by managing expenses effectively is key to long-term success. The Microsoft Visual Studio Professional 2022 + The 2024 Premium Learn to Code Certification Bundle offers a unique opportunity to gain essential coding skills and powerful development tools for just \$49.99 (reg. \$1,999).

A small investment in this bundle can help you significantly enhance your technical capabilities. It can also help you save on costly hiring expenses and additional salaries.

The learning bundle includes a wide array of courses covering the latest programming languages and frameworks. Whether you're a complete beginner or looking to expand your current knowledge, the 2024 Premium Learn to Code Certification Bundle offers something for everyone.

The courses are designed to provide practical, hands-on experience, ensuring you can apply what you learn directly to your business projects.

You'll get access to all 15 courses for life to dig into whenever you have time, whether it's downtime at the office or home in your PJs. Topics cover learning to code with Python 3,

beginner's C++, ChatGPT, Google Assistant automation, JavaScript, Salesforce, Ruby on Rails, and even coding for games and kids.

Microsoft Visual Studio Professional 2022 is an integrated development environment (IDE) that supports multiple programming languages and platforms. It has 5/5 stars on Microsoft Choice Software.

It comes equipped with advanced debugging, testing, and collaboration tools, making it easier to develop, test, and deploy applications efficiently. This powerful toolset enables you to create high-quality software solutions tailored to your business needs.

IntelliCode is a popular feature of Visual Studio. It can help you complete a line or block of code to save you time. CodeLens allows you to see important info regarding recent changes, tests, and history. It also offers real-time collaboration via Live Share.

This bundle offers real value for entrepreneurs looking to enhance their technical skills and reduce costs.

Get Microsoft Visual Studio Professional 2022 + The 2024 Premium Learn to Code Certification Bundle for just \$49.99 (reg. \$1,999).
