Google kills Pixel Pass without ever upgrading subscriber’s phones

Refunds aren’t issued because we’re committed to fulfilling our promise for the full 2 year term on the Pixel Pass subscription. However, a $100 loyalty reward credit is issued to all active subscribers.

Subscribers, who subscribed through Google Store receive $100 Google Store credit to their account which can be used towards any Google Store purchase.

Subscribers, who subscribed through Google Fi Wireless receive a $100 coupon code which can be used towards a Pixel device purchase on Google Fi Wireless
