Google will soon display prewritten texts people in crisis can use to ask for help

If you or anyone you know is considering suicide or is anxious, depressed, upset, or needs to talk, there are people who want to help:

Crisis Text Line: Text HOME to 741741 from anywhere in the US, at any time, about any type of crisis.

988 Suicide & Crisis Lifeline: Call or text 988 to contact what was formerly known as the National Suicide Prevention Lifeline. The original phone number, 1-800-273-TALK (8255), is available as well.

The International Association for Suicide Prevention lists a number of suicide hotlines by country. Click here to find them.
