Hand Drawn Tattoo Vector Elements for Premium Members

Access All Areas have a colourful collection of old school tattoo inspired vector illustrations to download this week, courtesy of Bad Taste. This Love Edition of tattoo elements focuses on hearts, flowers and birds, making the assets perfect for creating stylish Valentine's Day themed artwork. Each pre-made design is available in AI and EPS format, plus 6 seamless patterns and a total of 33 objects that have been exported as individual SVG and PNG graphics.

Bianca Schlich is the talented designer behind Bad Taste. It's the place to go for great hand crafted design resources, especially if you're a fan of the old school tattoo style. The Bad Taste store contains fonts, graphics collections, brush packs, textures and style collections that help you to produce your own designs and illustrations with a classic, old school vibe.

6 SEAMLESS VECTOR PATTERN INCLUDED

All the elements in the Love Edition Tattoo Elements Collection can be used individually or rearranged to create custom layouts. The text elements can also be edited in the AI and EPS versions. Each pattern design is supplied in vector formats, JPG and PNG files at 5000x5000px resolution, and a quickly accessible patterns library for Adobe Photoshop.
