How Discovering Healthy Masculinity Impacted My Life and Work

I learned most of my lessons about manhood by observing men's behaviors around me and absorbing the negative stereotypes depicted on my television screen of men who looked like me. A product of a single-parent home raised by an immigrant family, I was also encouraged to act manly and mature before I could grasp the weight of that responsibility.

Don't miss **The Business of Marketing**, a new series featuring leading c-suite executives sharing insights on the importance of leveraging the intersectionality of marketing, finance, technology, HR and the boardroom to drive business growth. **Tune in**.
