How Pepsi Bridges the Digital Divide for Black-Owned Restaurants

Late last year, Pepsi announced an ambitious program to help Black-owned restaurants generate $100 million in sales over five years. Launched with a campaign to celebrate restaurants around the country, “Dig In” is designed to provide exposure and tangible assistance.

Don’t miss **The Business of Marketing**, a new series featuring leading c-suite executives sharing insights on the importance of leveraging the intersectionality of marketing, finance, technology, HR and the boardroom to drive business growth. **Tune in**.
