How to Become an ‘Automatic Millionaire’

In this video, Entrepreneur Network partner Jeff Rose interviews David Bach, author of *The Automatic Millionaire: A Powerful One-Step Plan to Live and Finish Rich.* Bach’s father was an investor, and Bach himself started learning the finance world at a very young age. He started investing when he was 7 years old and took classes with his father when he turned 9.

Bach used that background and knowledge to build up the family business before turning to his passion — educating others, particularly women, about finance.
