Hybert Design

Creative Cadet // Graduate Designer / Full Time / Paid
Eton Berkshire UK

http://hybertdesign.com

We’re a small and dynamic team looking for a graduate designer to join our tribe, working across a diverse range of projects for print and digital.

Role Details

Hybert Design is a creative agency established over 43 years ago and based just outside London in Eton, Berkshire.

We’re a small and dynamic team looking for a graduate designer to join our tribe, working across a diverse range of projects for print and digital.

With a foundation working with world class publishers, we have more recently diversified and expanded into other industries such as pharma, tech, property and retail.

For the right graduate this is a fantastic opportunity to be an integral part of a busy, growing agency with some brilliant clients. We’re looking for a graphic design graduate to join our team and grow with us.

Benefits
• A friendly and supportive environment to help you grow your skills
• Flexible hours to suit you
• Regular socials
• Fat Fridays
• Competitive salary

Strictly no agencies please.

Skill/Attributes Required

Responsibilities:
• Working closely with the team to create and deliver outstanding design work
• Liasing with clients in an approachable, professional and friendly manner
• Collaborating with external suppliers to deliver projects on time and on budget
• Working to tight deadlines

Requirements:
• Graphic design graduate (typography // graphic communication // design related course)
• A keen interest in design theory, typography and current trends
• Excellent typographic skills and an eye for detail
• The ability to think differently and bring fresh approaches to work
• Strong knowledge of Adobe CC suite (ID, AI, PS minimum)
• Strong organisation skills and management of time
• Willingness to learn and take direction
• One super power

Nice to haves:
• Keen interest in books and publishing
• Animation & video editing skills
• Web design & development skills
• Cocktail making skills
